

TURNER NEWS LETTER

Spring/Summer
2019

Greetings In The Name of Jesus,

This past quarter has been a whirlwind of events and we are thankful for it.

In the spring we had the honor of being the guest speakers for the Bible College Graduation in Greece. God moved in a mighty way and we are so grateful that we were able to witness 3 souls receive their Gift from heaven.

At the beginning of the summer we were overjoyed at the arrival of our daughter Ayanna. When she got here she went right to work working as an intern for her organizational leadership degree at Urshan. She was also apart of the VBS, AYC and Camp Meeting in Greece. As well as at our Camp Meeting here in Israel.

We are so grateful for the time that we got to spend with her this summer and are sad to see her go; but we know that this semester holds great and mighty things for her and her future. Please be in prayer for her over this next school year.

We were also invited to Jordan by Brother and Sister Sherry and Sister Mansfield to preach their Pentecost Sunday revival services in Amman and Zarqa. The spirit of God fell in the services like it did on the Day of Pentecost in the book of Acts. The Spirit of God is sweeping throughout this region like a rushing mighty wind and we have the privilege of seeing the prophecies of old unfold come to pass right before our eyes.

This past half-year has proved to be fruitful as the team here has opened up three new works! Two in Tel Aviv and one in the West Bank. The harvest is ripe, we pray daily that the Lord will send more laborers to the field to gather the harvest.

We also held our annual Camp Meeting in July in Jerusalem. Brother and Sister Mason and their kids were so kind to accept the invitation to speak and we are so grateful for their willingness to come. Several people were healed and refilled with a fire for God. One of the members of the work, Sis. Mercedes was healed for the second time from cancer! All the praise and glory belongs to God our healer and our provider!

In July the team welcomed Brother and Sister Quezada to the field. They have started their Arabic studies and are holding meetings at their home in the Bank every week. We are believing God for a great and mighty harvest among the Arab people.

We are seeing the signs of the last days all around us in this land and know that God is getting ready 'to pour out His Spirit upon all flesh'! We are believing Him for bigger and greater things in this land, more than has ever been seen. The Children of Abraham are hearing the Good News! God is faithful! Your prayers are vital to the work in this land!
